

4/17/20

Dear JTT Organizer,

I hope this email finds you and your families safe and healthy. As many of you may have seen, USTA has sent out some updates that impact Junior Team Tennis. First, the USTA is on hold until June 1st, 2020. Because of that, the Columbus JTT dates that were sent out in February will no longer stand. We will not be starting our season on May 29th as originally anticipated. In addition, the National, Sectional, and District JTT Championships have been canceled for the 2020 season.

While there are still many unknowns for what this summer will look like, we will continue to be hopeful that we will have a JTT season. We are hoping we will be able to start matches at the end of June, playing throughout the month of July. Because there will be no championships, the league will be purely local play. All matches, for all players, will consist of four singles and two doubles, gender blind.

Of course, our ability to have this league will be based on the recommendations of the USTA, and state government. Our main concern will be the health and safety of everyone involved. I will continue to send out more information as we learn more about what will be allowed this summer. Below is a very quick survey about the JTT season. If you could take a few minutes to fill it out, it will help us as we continue to plan.
