

April 20, 2020

GCTA Captains, Club Reps and Pros –

Much has changed since we last shared an update. At the same time, much has not changed with what we definitely know. We are keeping a close eye on what the USTA is doing, what the governor is requesting and what is occurring within the Columbus community. As things stand today, we are still holding to our schedule shared in our last update. The dates that we shared are:

4/26: Club Rep: Team Forms Due

5/3: Captains: Preliminary Rosters Due

5/26: Schedules published

6/1: Matches start

The GCTA Executive board will be meeting again on April 30 to review any changes and make any adjustments needed. We will continue to put the health and safety of the players and club members as the number one priority in these discussions.

Please reach out if you have any questions or suggestions.
